The purpose of this document is to respond to questions that have arisen since the issuance of the RFP on September 7, 2016.

- 1. The RFP does not specify the species of chip to be delivered. Please clarify the species you would be willing to consider (i.e. 100% hardwood, 100% softwood, mixed hardwood and softwood). We will accept a mixture of hard and soft wood.**
- 2. What is the frequency of annual deliveries?** The frequency of deliveries varies by the seasons. Generally, we take delivery of about three, thirty ton loads a week in winter time to as little as one, thirty ton load during the summer.
- 3. What was the last awarded price per ton for this item?** \$53/ton.
- 4. Who was the winning vendor?** Cousineau Forest Products.
