"ONE-TOUCH" HEALTHY HOMES INITIATIVES EXPANDING

Healthy Homes Strategic Planning and "One-Touch" implementation is spreading throughout New Hampshire. Seven public health regions are gathering partners to capture the vision of what Healthy Homes would look like in their communities. For more information on what is happening in the North Country, Lakes Region, Strafford County, Greater Manchester, Greater Nashua, Franklin-Bristol Area, and Greater Sullivan County, contact 1-800-897-LEAD (5323) today.

CDC HEALTHY HOMES & LEAD POISONING PREVENTION PROGRAM SLATED FOR CUTS

The House, Senate, and Obama Administration have agreed to a spending plan for FY12 that provides only \$2 million for CDC's Healthy Homes and Lead Poisoning Prevention Program. The current funding, for the first year of a three-year cooperative agreement for each funded state, runs through August 2012. [[read more at NCHH](#)].

DON'T TOY WITH SAFETY - SAFE KIDS USA RELEASES TOY SAFETY BULLETIN

While your little one's eyes may light up over small play balls and riding toys, these objects account for hundreds of thousands of injuries each year. Did you know that in 2009, there were

an estimated 181,900 toy-related injuries? And that children under 5 accounted for nearly half of these injuries? Naturally, you want your children to have a play environment with safe toys. Before you hit the stores, take a moment to read our top toy safety tips. [[click here](#)].
