

**SULLIVAN COUNTY
RESIDENTIAL ANTIDISPLACEMENT AND RELOCATION ASSISTANCE PLAN
CDBG MICRO ENTERPRISE 3-YEAR PROJECT**

Every effort will be made to minimize temporary or permanent displacement of persons due to a CDBG project undertaken by the municipality.

However, in the event of displacement as a result of a federally funded award, SULLIVAN COUNTY will comply with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, to any household, regardless of income which is involuntarily and permanently displaced.

If the property is acquired, but will not be used for low/moderate income housing under 104(d) of the Housing and Community Development Act of 1974, as amended, the displacement and relocation plan shall provide that before obligating and spending funds that will directly result in such demolition or conversion the municipality will make public and submit to CDFR the following information:

- a. Comparable replacement housing in the community within three (3) years of the commencement date of the demolition or rehabilitation;
- b. A description of the proposed activity;
- c. The general location on a map and appropriate number of dwelling units by number of bedrooms that will be demolished or converted to a use other than as low- and moderate-income dwelling units as a direct result of the assisted activity;
- d. A time schedule for the commencement and completion date of the demolition or conversion;
- e. The general location on a map and appropriate number of dwelling units by number of bedrooms that will be provided as replacement dwelling units;
- f. The source of funding and a time schedule for the provision of replacement dwelling units;
- g. The basis for concluding that each replacement dwelling unit will remain a low- and moderate-income dwelling unit for at least ten (10) years from the date of initial occupancy;
- h. Relocation benefits for all low- or moderate-income persons shall be provided, including reimbursement for moving expenses, security deposits, credit checks, temporary housing, and other related expenses and either:
 1. Sufficient compensation to ensure that, at least for five (5) years after being relocated, any displaced low/moderate income household shall not bear a ratio of shelter costs to income that exceeds thirty (30) percent, or:
 2. If elected by a family, a lump-sum payment equal to the capitalized value of the compensation available under subparagraph 1. above to permit the household to secure participation in a housing cooperative or mutual housing

association, or a Section 8 certificate of voucher for rental assistance provided through New Hampshire Housing Finance Authority.

- i. Persons displaced shall be relocated into comparable replacement housing that is decent, safe, and sanitary, adequate in size to accommodate the occupants, functionally equivalent, and in an area not subject to unreasonably adverse environmental conditions;
- j. Provide that persons displaced have the right to elect, as an alternative to the benefits in subparagraph 2. above, to received benefits under the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 if such persons determine that it is in their best interest to do so; and
- k. The right of appeal to the executive director of CDFA where a claim for assistance under subparagraph 2. above, is denied by the grantee. The executive director's decision shall be final unless a court determines the decision was arbitrary and capricious.
- l. Paragraphs a. through k. above shall not apply where the HUD Field Office objectively finds that there is an adequate supply of decent, affordable low/moderate income housing in the area.

CERTIFICATION OF COMPLIANCE

SULLIVAN COUNTY anticipates no displacement or relocation activities will be necessitated by this project. Should some unforeseen need arise, the County certifies that it will comply with the Uniform Relocation Act and Section 104 (d) of the Housing and Community Development Act of 1974, as amended.
